Got a **BIG** wishlist – but a **limited** budget?

Then I designed my “Purchase Power” plan just for you!

What you'll do:

- Commit to purchasing at least \$30 (or \$60) of catalog product through me every month for 5 consecutive months. (You'll choose your membership level at the beginning of your 5-month term.)
- Turn in your product order to me by the 1st Friday of every month. You may submit your order in person, or via telephone or email. Note that this plan is not currently set up to accept online orders, as all orders must be submitted together.

What you'll get:

- A complimentary *Idea Book & Catalog* and all mini catalogs that publish during your membership term
- One optional FREE monthly hands-on class at the \$30 membership level. (Choose from **Card Class** or **Crafting Adventures**; see reverse.) Or take **both** monthly classes free with a \$60-level membership. (*Note that class participation is always optional; you do not have to attend a class if it is not convenient for you.*)
- Free products (hostess benefits) based on your own purchases during your membership term. (Note that while you are welcome to order more than your monthly minimum commitment during your term, hostess benefits will be capped at a \$300 workshop if you have made a \$30 commitment..... and at a \$500 workshop if you have a \$60 commitment.)
- Discount pricing at my specialty-project or themed classes during your term
- If you choose the \$60-level membership, you'll get at least 1 square a month on my 50/50 Board – for a chance to win a \$50 catalog shopping spree!
- As a Purchase Power member you'll automatically be on the inside track. See more ideas and learn more techniques by attending your (optional) free classes regularly, check out my private sneak peek showings of upcoming mini catalogs, and get the “inside scoop” & news - just about as soon as I am allowed to share it!
- Not to mention, you'll have tons of fun and enjoy new friendships, of course. ☺
